DATA CENTER BIBLIOGRAPHY

6 Nov 2026

Compiled by David Passmore

I collect citations in a Zotero database for almost all of the articles I read about data centers. This bibliography is assembled from that database, with citations group by topic.

Topic *Starts in Page...*

Economics, Financing, and Investments....1
Environmental Impact, Resources, and Technology....2
Energy Grid, Power, and Infrastructure....4
Local Community Opposition, Land Use, and Public Backlash....8
Policy, Regulation, and Governance....11

Economics, Financing, and Investments

- AI build-out financing. (2026). In Wikipedia.
